## Alberta Alpine Ski Association

### Policy Title

#### 1.1 Letter from the President

Dear Members:

It is my pleasure to provide the membership with this collection of our organization's operational policies.

These documents, if adopted by club executives, will increase greater efficiencies at the club level and to provide a framework for decision-making throughout the season. These policies facilitate greater consistency in the manner in which we respond to challenges, while ensuring that management is accountable to the membership for decisions we make.

There is no question that the foundation of our sport is the exceptional contributions of our volunteers. Whether it is serving as a club executive, working at a casino fundraiser, or being a gate judge during the winter months, our sport relies heavily on volunteers. We must therefore seek opportunities for collaboration between clubs to ensure that the 'volunteer army' has the resources it needs to be successful. This was a priority outlined in the strategic plan that was approved in the winter of 2015, and is reflected in the following policies.

Upon review of the Alberta Alpine operation policies, please do not hesitate to contact the staff of Alberta Alpine to discuss any of these policies in greater detail. Consider us a resource in supporting your club's pursuit of excellence on and off the hill.

Sincerely,

Nigel Loring  
President, Alberta Alpine
