Alberta Alpine Ski Association

Policy Title

3.1 Alberta Ski Team Selection Document

Policy Objective

INTRODUCTION

The Alberta Ski Team (AST) is an athlete centered high performance development program that provides enhanced training and competitive opportunities for Alberta's top performing alpine ski racers. Athletes qualifying to the AST must have demonstrated not only a track record of competitive success but also commitment to the sport above and beyond that of their peers. AST athletes are expected to be fully committed to all elements of the AST training and competition program.

PRIMARY GOAL

The primary goal of the AST program is to advance athletes to Canadian Alpine Ski Team (CAST) programs prepared for successful careers on the international stage.

GENERAL PRINCIPLES

1. This Selection Document outlines the process by which all AASA athletes will be considered and selected to the AST
2. The objective of the selection document is to select athletes most capable of achieving success based on the criteria below.
3. The AST total team size may be limited based on available funding, but will support at minimum 3 men and 3 women.
4. All parties involved in the AST selection will seek understanding of the selection process as outlined in this document, and respect agreed upon communication timelines, deadlines, and process.

Procedure

1. ELIGIBILITY

1. Athletes holding a Canadian FIS Card must be an active member in good standing of an AASA member club, have participated in AASA programming for a minimum of two (2) years, and have their primary residence in the Province of Alberta.
2. Athletes not holding a Canadian FIS Card must be an active member in good standing of an AASA member club, have participated in AASA programming for a minimum of three (3) years, and have their primary residence in the Province of Alberta.

2. SELECTION PROCESS AND TIMELINES

1. NOMINATION TO THE AST

- i. Each club must submit in writing by the first day of Canadian National Championships, one (1) professional coach as the club's representative and contact point for all formal AST selection communication for the selection process.

- ii. The Alberta Alpine Ski Association (AASA) Athletics Director (AD) will provide a list of selection camp invitees to each member club's representative no later than the final day of Canadian National Championships. The member club's representative may choose to add athletes to the list of potential candidates no later than 1600hrs MST, April 5th 2017.
- iii. The member club's representative must submit in writing to the AASA AD all athlete nominations for selection to the 2017-2018 AST Selection Group by 1600 HRS MST April 15th 2017. A non-refundable **\$500.00** selection fee is due with each nomination and will cover all evaluation costs during the selection process.
- iv. Nominated athletes must attend the AST selection camp (week of April 24-28) to be considered for selection to the AST. Athletes will test sport specific physical capacities during dryland testing and be evaluated on technical skiing skill and proficiency on snow. Athletes and Families will also be required to attend an evening meeting discussing AST requirements, athlete agreement, etc.
- v. The AST technical staff will meet within 7 days of the AST selection camp to review athlete nominations, and will present their recommendations and rationale for the AST to the Alberta Alpine HPC.
- vi. The HPC will review the AST staff recommendations within three business days of receipt.
- vii. Once the HPC has completed its review of the AST staff recommendations the HPC will make a recommendation to the Alberta Alpine Board of Directors for approval.
- viii. The AASA AD will notify all nominated athletes and club representatives of their selection status. After all athletes and clubs have been notified the AST will be announced.
- ix. The General Training Phase (GTP) beginning in early May and ending no later than September 30th will be considered a probationary period for all AST athletes. The AST Athletic staff will evaluate all AST athletes throughout the GTP for progress, performance, and commitment to excellence in all components of the training programs.

2. APPEALS

- i. AASA will conduct a Selection Appeal to resolve any disputes arising from the selection process.
- ii. The Selection Appeals Committee will be appointed by the Chair of the Board of Directors and will consist of a current or past member of the AASA Board of Directors, a current or past member of the AASA Performance Advisory Council, and a past Alberta Ski Team member. Should any member of the Appeals Committee member be in conflict of interest, the Chair of the Board of Directors will appoint a replacement of similar background and qualifications.
- iii. Athletes not named to the AST, may submit a written appeal to the Appeals Committee (c/o Alberta Alpine) within three business days of being advised of their non-selection by AASA. A non-refundable fee of **\$500.00** must accompany the letter of appeal. This fee will be applied to AST fees of any successful appeals.
- iv. The athlete's home club Program Director and the athlete (and parent if the athlete is under 18 years of age) must endorse the appeal.

- v. The Appeals Committee will meet as soon as is reasonably possible following the receipt of the notice of appeal.
- vi. The Appeals Committee will invite the athlete and his/her representatives (which may include legal counsel) to attend the appeal hearing or conference call. The Appeals Committee may also invite a member or members of the AST technical staff to attend the appeal hearing.
- vii. The Appeals Committee will advise Alberta Alpine and the athlete of its decision within three business days of hearing the appeal. All decisions of the Appeals Committee shall be final.

3. INJURY STATUS

- i. Athletes who suffer a major injury or illness prior to March 1 of the 2016-2017 competitive season and who were clearly showing the competitive performance to be within AST selection criteria may be named to the AST for evaluation throughout the GTP.
- ii. At the conclusion of the GTP period the AST staff will review the athlete's preparedness to train and compete within the AST program and will make a recommendation regarding the athlete's selection status to the HPC.
- iii. The injury / illness status applies only to the competitive season immediately following the year of injury. In subsequent seasons the athlete must qualify by performing to selection standards.

4. MID-SEASON EVALUATION

- i. AASA club based athletes who perform exceptionally well and clearly demonstrate through race results, that they are competitive with the majority of AST members of similar age, may be promoted to the AST.
- ii. The athlete, the athlete's club, and AST technical staff must agree that mid-season selection is in the best interests of the athlete.
- iii. Alberta Alpine must have the available financial and human resources to operate a larger team.
