## JOIN THE CLUB!

Since its inception in 2007, Alberta Alpine's Legends Club has positively impacted hundreds of aspiring young ski racers and their coaches in our community. Regardless of ability or financial wherewithal, Legends Club offers targeted projects for every level of racer in the province, ages 12 and up.

Created by World Cup Winner and former Alberta Alpine President, Thomas Grandi, Legends Club boosts and promotes unique opportunities to assist in developing young racers in our province. Through various camps, specialized educational seminars, and competition projects, Alberta athletes are making great strides in pursuit of their goals and ours. Alberta Alpine sees the continued success of the Legends Club program as the most impactful and meaningful way to connect Alberta's skiing supporters and fans with our youngsters' bright futures.

Consider being part of this dynamic program and support opportunities for other young speedsters from across Alberta. Your **tax deductible contribution** will provide the essential ingredients that will see the next generation of super star ski racers achieve legendary status, both at home and around the world.
