

LEGENDS
CLUB

August 15, 2017

Dear supporter of ski racing,

For the over 10 years, Alberta Alpine's Legends Club has been a huge success thanks to the generous support of from friends of ski racing such as yourself. We calculate that well over 5000 young skiers have participated in Legends Club projects since 2007, a number which hope continue to grow again this year.

There are so many who have benefited greatly from the access to Legends Club projects. Young ski racers of all ages thrill at the opportunity to learn new skills, alongside their peers with help from the best coaches from around the province. Years later, some are now and they themselves now able to give back and reconnect. As mentor athletes like current Canadian Team members Brady Leman, Trevor Philip, Jeffrey Read and Jack Leitch, or as world class coaches or even as Legends Club members, great things will happen when you are around great people and great citizens.

I am pleased to tell you that we are continuing the success of the Legends Club supported provincial fitness standards. The two projects offer all access testing (North and South) both with the aim of helping young athletes and their coaches prepare correctly for the rigors and demands of the sport. This is alongside our continued commitment to developing speed skills at an appropriate age and stage and as always, providing the opportunity for skiers from all across Alberta the experience, guidance and community connection they aspire to. All Legends Club projects are accessible and available to youth ski racers in Alberta of all appropriate ages.

It is my sincere hope that you will consider being part of this dynamic program again this year and support opportunities for other young speedsters from across Alberta. Your tax deductible contribution of \$5000.00 (as a single donation or as installments) will provide the essential ingredients that will see the next generation of super star ski racers achieve legendary status, both at home and around the world.

In appreciation of your generosity we are pleased to provide you with:

- * Official Tax receipt
- * Limited Edition Descente Parka
- * Recognition at Alberta Alpine events and online
- * VIP accreditation to the Lake Louise World Cup
- * Quarterly electronic updates

Thank you for your time and commitment to the future of Alberta ski racing. Please don't hesitate to contact me at any time. I look forward to seeing and skiing with you in the very near future.

Yours truly,

Nigel Loring
President, Alberta Alpine
