Inspiring Excellence

**Friends of Alberta Alpine** supports Alberta athletes who by their own merit, will represent Alberta in national and international events this coming season. The additional costs that performing athletes incur can often be a limiting factor for participation in special training camps and championship events.

With a **minimum individual donation of \$250**, the funds raised within the Friends of Alberta Alpine program subsidizes these costs equally among qualifying athletes. Some events that would benefit Alberta athletes and teams include:

- *\$250 helps with extra baggage fees for U16 Nationals (Eastern Canada)*
- *\$500 could provide fuel for transport to the Canadian Senior Championships*
- *\$1500 could fly a coach and gear to Pokal Loka, International Children's Race (Slovenia)*
- *\$2500 could cover athlete expenses for special Canadian Ski Team invitation camps or competitions*

Members of the program will receive a registered tax receipt and directly fund athlete development in Alberta. Also, many employers support "Matching Company Donation" programs that support such community initiatives.
