

Preamble

The Lake Louise Ski Club operates from Lake Louise Ski Area- the only host site on Canadian soil for Women's and Men's World Cup Ski Races. One of the longest operating clubs in Canada, we have a strong alumni of ski racers that have raced at the national and World Cup level. A high performance program, the club operates programming to move athletes to higher levels of the sport of ski racing in pursuit of personal excellence. We develop a strong passion for the sport of skiing.
