

## **Preamble**

The Lake Louise Ski Club operates from Lake Louise Ski Area- the only host site on Canadian soil for Women's and Men's World Cup Ski Races. One of the longest operating clubs in Canada, we have a strong alumni of ski racers that have raced at the national and World Cup level. A high performance program, the club operates programming to move athletes to higher levels of the sport of ski racing in pursuit of personal excellence. We develop a strong passion for the sport of skiing.

## **Position-U12 Head Coach**

The Lake Louise Ski Club is in search of a U12 Head Coach to run a High Performance U12 program for the 2015-16 ski season. We are looking specifically for coaches that have a strong technical background in addition to being able to confidently ski all terrain. The program will consist of approximately 65 days on snow and offer a complete program consisting of dryland, camps, training plans, competition planning, etc.

## **Job Description Highlights**

- Manage on snow training in a safe and effective manner
- Work closely with the U12 Coaching Team and LLSC coaching staff in a strong team environment.
- Support the LLSC philosophy and culture.
- Develop strong all around skiers
- Demonstrate a strong technical knowledge of ski racing technique and tactics.
- Operate with an athlete centered approach.
- Be a good ambassador of our club, the sport, and especially the athletes

## **Qualifications**

- Member in good standing with CSCF/CSIA
- Level 1 CSCF/CSIA Certified, Preference given to Level 2 Certified
- Experience at the U12 level or higher is not mandatory but definitely an asset
- Strong ski racing background is an asset

Please submit applications to Program Director Grant Richardson
