

***The National Alpine Training Centre is currently accepting applications for a FIS Assistant Coach position***

The National Alpine Training Centre (NATC) is a member club of the Nakiska Alpine Ski Association (NASA) located in Calgary, AB. NASA consists of 5 independent ski clubs comprising 330+ athletes and 50+ coaches. Working in conjunction with the other NASA member clubs NATC is committed to delivering an athletic program to Canada's most promising and dedicated alpine skiers so they can attain their maximum individual athletic potential. Our goal is to raise the bar in the standard of athlete and ski racer development while keeping the cost of the sport accessible to as many families as possible.

Due to increasing athlete numbers we have a FIS Assistant Coach position available. The length of contracts is somewhat flexible depending on the needs of the successful applicant and the requirements of the FIS program. The NATC FIS Assistant Coach reports directly to the NATC FIS Head Coach. A complete job description including specific duties/responsibilities is available on request.

Qualifications

CSCF certified Development Level (2) or Performance Level (3)

4+ years of general ski coaching experience - Proven track record of developing successful athletes

Personal high level competition experience an asset

Must be a team player able to work well and communicate with other members of a larger coaching team

Should possess the ability to deal with parents, athletes, coaches and other stakeholders patiently, firmly, fairly and diplomatically

Should be an achiever who is goal oriented, sets high standards and who has a high level of personal energy and stamina
