

### **Westcastle Ski Club:**

The Westcastle Ski Club (“WSC”) operates out of the Castle Mountain Ski Resort which is located ~2 hours south of Calgary. The club’s participants are drawn from a variety of southern Alberta communities (including Calgary) with many of the participant’s families owning cottages at the Castle Mountain Ski Resort and in the surrounding area. WSC has invested a great deal of money into purchasing new race related equipment over the last few years including, but not limited to, feather base race gates, radios and B-net. The club owns a Brower wireless timing system and has 2 designated race runs that are completely wired with permanent timing systems. The club recognizes that ski racing dramatically improve a skiers ability to ski all terrain and the observation is commonly made at Castle that the hill’s best “all around” skiers are individuals with a race background.

### **U14 Race Coach Position:**

WSC is in search of a U14 Race Coach. For the 2015/2016 race season, WSC expects to have 8 U14 racers and we need to hire a coach to head up a program for this group. The job may also involve helping mentor other less experienced coaches and would involve some work with the U12’s (WSC currently does not expect to have any racers in our program above U14). The primary goal of the WSC is to increase the days on snow for the U14 group and bring a more structured format to learning the technical aspects of racing. That said, we are very proud of our terrain at Castle Mountain and we expect the race kids to have the opportunity to take part and enjoy this terrain when the conditions call for it (ie. can’t train gates all the time). WSC understands that it needs to pay coaches competitively if it wants to attract experienced qualified candidates and we are confident that this will not be a problem should the right candidate come forward.

### **Qualifications:**

- Member in good standing with CSCF/CSIA
- Minimum CSCF Level 1 certified
- Competitive ski race background
- Ability to communicate and instruct the technical aspects of racing to 12 and 13 year old kids

### **Contact:**

Please submit applications to WSC’s Alberta Alpine Chair Paul Smith [psmith@highrockres.com](mailto:psmith@highrockres.com)
