Policy Title

3.10 Refund Policy

Policy Objective

Alberta Alpine Ski Association (AASA) administrative refunds of fees paid are subject to a 10% charge. Not all fees are subject to refund due to seasonal cut off dates - please see each event and fee for specifics. All refunds are at the discretion of the President.

If an AASA sanctioned race is cancelled, the Race Organizing Committee (ROC) is expected to refund all race entry fees less any acceptable fixed costs incurred by the host club.

Procedure

The member will apply for refund via Member Services. Member Services will make a recommendation. Upon approval of the President a credit will be applied to the members account, less any service charge.

ROC's will issue refunds within 30 days of event completion.
