JOB OVERVIEW:

- Our coaching team works collaboratively to provide effective and balanced coaching to our athletes.
- You'll work collaboratively with other coaching staff to implement our established programming, attend races and mountain camps.
- As a Nancy Greene coach, you'll attend training sessions three times a week on Tuesdays, Thursdays and Sundays.
- You will contribute to a positive learning environment that focuses on athlete development, safety and passion for the sport.
- ESC Alpine coaches are team players
- Excellent communication skills
- First-hand experience with Alpine Racing
- Ongoing growth through professional development

BONUS POINTS:

- CSC Entry Level certification
- One or more years of coaching experience
- Experience working with children
