

2025-26 Season Evolve Assistant Coach

The Evolve Ski Cross Club (“Evolve”) is a member club of the Nakiska Alpine Ski Association (“NASA”) located in Calgary, AB. NASA consists of 6 independent ski clubs comprising 330+ athletes and 40+ coaches. Working in conjunction with the other NASA member clubs, Evolve is committed to delivering an annual athletic program with 100+ dryland days and 110+ days on snow, to Canada’s next generation of Ski Cross athletes so they can attain their maximum, individual athletic potential.

Evolve is seeking an Assistant Coach for the 2025-26 season.

Reporting to the Evolve Head Coach (HC), the Evolve Assistant Coach plays a key role in developing our young talent and providing our Evolve team with athletes possessing solid technical base, tactical knowledge, work ethic, passion, and a desire to succeed. Experience racing or coaching ski cross is considered an asset; However, is NOT required for a candidate with alpine coaching experience.

Responsibilities

- Work with HC in designing daily goals for training sessions based on the focus of each block of training.
- Provide a safe and challenging on-snow training environment appropriate for athletic development.
- Deliver dryland training program as outlined by Head Coach and Strength and Conditioning coach.
- Course setting, video analysis and timing set-up.
- Take ownership of the athletes’ development.
- Submit expenses to HC in a concise, complete, and timely manner.
- Keep up to date training statistics, attendance records and complete report cards for all athletes.
- Ensure all athletes abide by the NASA Code of Conduct.
- As needed, assist in the expense reporting post competition or training camps.
- As needed, assist in the planning and organizing of training camps and/or competitions.
- As needed, assist in the preparation of athlete’s skis prior to and during competitions.
- Ability to travel abroad for camps and races and drive team van to training and competition venues as needed.
- Work with NASA Transportation Safety Officer (TSO) to ensure all Evolve vehicles are operating in compliance with the NASA Driver Safety and Vehicle Maintenance Program.
- Ensure all Evolve issued equipment is maintained and operational throughout the season.
- Understand the full NASA program and its structure. Actively promote the Club to internal and external parties.

2025-26 Season Evolve Assistant Coach

Qualifications

- 3+ years' general ski coaching experience or 2+ years' experience coaching at U16 or higher.
- ACA Ski Cross – Trained or willing to obtain. Development Level Certified in alpine an asset.
