

WE ARE HIRING

GRIZZLIES, RACE AND FREERIDE COACHES FOR OUR UPCOMING SKI SEASON

The Lake Louise Ski Clubs (LLSCs) are a community sport organization dedicated to developing athletes through our three clubs: Grizzlies, Race and Freeride. Together, we provide a progressive pathway that introduces young athletes to competitive skiing environments, develops fundamental skiing and life skills, and supports those pursuing high-performance goals.

While each club has its own identity, we share a commitment to creating exceptional athlete experiences in a safe, supportive, and challenging environment. Our coaches help athletes build confidence, resilience, independence, sportsmanship, and a lifelong passion for skiing and the mountains.

We proudly employ coaches from a variety of skiing backgrounds including Alpine Canada, CSIA, Freestyle Canada, IFSA and equivalent international certification systems. We value diverse experiences and perspectives that contribute to exceptional athlete development and coaching environments.
